

May 2023

Dear Parent/Carer

College Fund Contribution 2023/2024

At Wellington College we provide an excellent range of opportunities for our pupils both in and out of the classroom.

We are dependent on parental contributions to the College Fund to continue to provide these opportunities. For the school year 2023/2024 we have maintained the contribution required at £60 for each child in the family - indeed the College is grateful to some parents who contribute more than the requested amount.

The College Fund is used to:

- Subsidise transport, equipment and coaching support for sports and musical activities;
- Support the wide range of clubs and activities we offer, including the College library, and provide materials and costs for events outside the school day;
- Add to our ICT resources and licensing to boost learning experiences both in the classroom and at home;
- Purchase materials and enrich the curriculum in practical subjects including Home Economics, Art and Technology & Design.
- Provide insurance cover for all pupils during Games and other activities through registration with the IRFU and other sports bodies.

We ask that you pay your College Fund through standing order or bank transfer. Listed with the admissions paperwork are forms for both payment options. Please complete the relevant form for your preferred payment method and return to the College by email to admissions@wellington.belfast.ni.sch.uk Paying through standing order means your monthly payments will stay the same for the duration of your child's stay in Wellington, that is £5.00 per calendar month per child.

With thanks on behalf of the College for your support in this matter, your contribution will make a real difference to our work and the opportunities we are able to offer each child.

Yours sincerely,

Mr D Castles
Principal
